

Volunteer Opportunities

We are looking for volunteers to help in all of our projects, if you are interested please contact [Gena Christie](mailto:gena@treeutah.org) at gena@treeutah.org or 801-364-2122

Trees for Eagles (T4E) at Redwood Natural Area

- **Mulching**, to keep moisture in roots around the new Spiral planting site
- **Watering**, to ensure the growth and survival of the newly planted trees and shrubs
- **Taking Visitor Surveys**, help us to find out statistics on who is visiting the park
- **Education Program Assistance**, be involved in the outdoor education program

EcoGarden next to the Day-Riverside Library

- **Planting**, helping plant in the garden
- **Weeding**, cut down on plant competition
- **Pruning**, maintain the orchard
- **Mulching**, keep moisture in the soil and weeds at bay
- **Watering**, ensure the plants growth and survival
- **Harvesting**, take home some of the bounty!

May 3rd T4E Planting

Please fill out a [Volunteer Application](#) if you are interested in volunteering or if any of these opportunities appeal to you.
